The Proper Way to Repair a Ball Mark

- 1 Use a prolonged ball mark repair tool (preferably), tooth, key or coin.
- 2 Insert at the edges of the mark, not the middle of the depression.
- 3 Bring the edges together with a gentle twisting motion, but don't lift the corners. Try not to tear the grass.
- 4 Smooth the surface with a club or foot. That is done when it's a surface that you would put over.

Please repair ball marks on the green. A ball mark that is repaired correctly heals in a few days. If it is not repaired, or is repaired incorrectly it will be visible for weeks.

2007 Youth Bowler Kevin Ferrell

Kevin is an avid youth bowler. He sleeps and dreams bowling. Every chance he gets, he is at the Zama Bowling Center doing what he enjoys, "Bowling". His mom, SGT Iris Ferrell, is his biggest fan and supporter.

Kevin started going to the bowling center on Wednesdays during the free "Family Time bowling". He would always sign up for the "Stomp the Manager" competition. Anyone bowling higher than the manager would win a free dinner from the snack bar. Kevin tried week after week, would almost win, but faltered in the 9th and 10th frames. He received tips on controlling his attitude and also basic tips on bowling and understanding your ball and the lanes. Kevin was adamant about the manager or any adult that bowled. It took him about two months to improve his bowling, understand lane conditions, and understand the capability of his bowling ball. He finally and successfully "Stomped the Manager". During one of his practice days, Kevin rolled a perfect score of 300! For you non-bowlers, that's 12 strikes in a row in one game.

He practices daily and probably bowls about 20 games per day. He hangs around the bowling center to watch the veteran bowlers, listens to the bowlers discuss the lane conditions, observes the different techniques that each bowler displays, and has come to understand a lot more about bowling than most kids at age 12 (or even adults).

Bowling is his passion; and his determination to get better, strengthens his drive. He has the potential to become a professional bowler in the future. Congratulations Kevin, you are the "2007 Zama Bowling Center Youth Bowler".

"Happy New Year" from the Zama Bowling Center staff and management.

NAGASAKI HUIS TEN BOSCH is a unique theme park resort with no roller coaster or ferris wheels. It's a luxurious resort recreating a little city of Holland surrounded by nature with trees, flowers and the canals interchanging within the resort. Like in the Netherlands, each season has a theme. In the spring you have the tulips, summer months you have the Begonias, Roses and Star cluster. Fall is when you find Dahlias and in the winter you can enjoy the Pansies growing throughout the beautiful resort. But another attraction during the winter months is the spectacular illumination which adds a very romantic atmosphere in the evenings.

**PRESIDENT'S DAY WEEKEND

**A VALENTINE SPECIAL
FOR A ROMANTIC AND RELAXING GET-A-WAY**

NAGASAKI HUIS TEN BOSCH TOUR

"CITY OF LIGHT"

This short vacation will give you the same luxury of traveling to the Netherlands.

JUST A 2 HOUR FLIGHT FROM HANEDA TO THIS BEAUTIFUL DUTCH RESORT.

The city of Nagasaki is attractively situated on the island of Kyushu. Nagasaki has played a prominent role in foreign trade and especially with the Dutch trading ships during Japan's isolation period. Throughout the city you can sense the exotic atmosphere from the European and Chinese culture. Nagasaki became the second city after Hiroshima to be destroyed by the atomic bomb. The Atomic Bomb Museum in Nagasaki covers the history of this event in the accessible form of a story. It begins with the disastrous scene of the attack which details the events leading up to the dropping and also outlines the reconstruction of Nagasaki up to the present day.
